

SPARK Sponsorship Opportunities

2023

Contribute to our future generations! Support SPARK through sponsorship opportunities, including programming, hands-on exhibits, and annual events. Your support will make a big impact on our community.

Rose Sponsorship

\$1,500

People In Your Neighborhood

Smiles erupt when children and families get to meet their local postal worker, police officer, firefighter, bus driver, and learn about these career paths and transportation.

Holidays Around the World

Celebrating holidays from various cultures and communities year-round through programming.

Fire Safety Week

Help save lives by educating children and families on fire safety.

Don't see a sponsorship opportunity that fits you or your company's mission?

Let's start a new partnership opportunity!

Amber Sponsorship

\$2,500

Community Access Event

Provide exclusive access to historically marginalized families for 2 hours.

Hometown Heroes

Thank our hometown heroes (first responders, military/Veterans, law enforcement) by providing free admission for them and their families for a weekend.

Teacher Appreciation Day

Thank our education professionals by providing a day of free admission for them and their families.

Medical Professionals Day

Our medical professionals deserve praise and a day to spend with their families, free with your sponsorship.

Corporate Sponsored Day

Sponsor a day in your name, providing free admission to all visitors that day, and share how your mission aligns with SPARK.

SPARKTACULAR

Boo! Sponsor our annual Halloween costume parade and fall festival at SPARK.

The Great Cardboard Sled Race

Break up the winter doldrums by sponsoring this high-energy event hosted at a local sledding hill. Families will get creative and make their own sleds!

Topaz Sponsorship

\$5,000

Move Your Body

Support weekly health and well-being programming featuring yoga, dance, or Zumba.

Movie In the Park

Buy out the Honker's Stadium by offering a movie on the baseball field completely free to the community with activities and concessions.

SPARK Imagination READ! Summer Reading Program

Help prevent "summer slide" by encouraging a reading challenge and providing free books to children.

Amazing Airways

Sponsor this exhibit which allows visitors to manipulate levers, thus manipulating airflow. Watch the scarves and pom poms exit the airwall from several tubes.

Light Bright

Sponsor this classic childhood favorite but in GIANT form.

Reaction Time

Sponsor this exhibit if you're competitive in nature. Visitors have 30 seconds to hit as many light-up buttons as possible. With two walls side-by-side, races occur daily.

Racetrack

Help foster engineering by sponsoring this exhibit. What can our visitors build and how fast will it go?

Green Screen

Inspire imagination as visitors choose to transport themselves back to the dinosaur era, sit behind a news desk, or swim with the fish in the sea in this exhibit.

SPARKLE New Year's Eve Celebration

NYE deserves two daytime parties. Be the named sponsor of our annual, sparkly bash, complete with the iconic ball drop.

Emerald Sponsorship

\$10,000

Grandparents Play Free Tuesdays

Support intergenerational learning by contributing to free admission and programming for grandparents and children.

Imagination Station

Our most programmed space, sponsor the Imagination Station where creativity comes alive.

STEM Fridays

Support programming of Science, Technology, Engineering, and Math for a staff-led STEM program each Friday.

Tinkering Tuesdays

Support critical thinking skills and interest in tinkering where cause and effect are discussed with each staff-led experiment.

Discovery Play

Exclusive play, learning, and discovery time designed specifically for a sensory-friendly experience.

Sapphire Sponsorship

\$20,000

Maker Space

Sponsor this room which is programmed daily with different STEM activities.

H2OH!

Make a splash by sponsoring one of our most popular exhibits, the water table. Critical thinking is applied when visitors manipulate levers to move water or build a dam.

SPARK City

Visitors work hard to keep residents of the city happy. This exhibit encourages collaboration with others as they fix broken water pipes and traffic jams, and regulate fuel sources.

Lil Sparks

This brand-new exhibit is still being fabricated and will be open in late spring/early summer!

Our World Bazaar

Sponsor this worldly exhibit that promotes cultural connectedness, health and well-being, and imagination. Visitors learn about the world and different cultures through pretend play in a café and tailor shop.
